BULLETIN

DEPARTMENT ENGINEERING
SUBJECT ORGANISATION

Attached is a revised organisation chart for the Engineering Experimental Department which is effective immediately.

As a result of re-assignment of Proving Ground responsibilities to Experimental, with the transfer of Mr. J.L. Cohoon to Assistant Chief Engineer - Mechanical, effective Monday, January 27, 1975, and until his successor is appointed, the responsibilities for the various sections of Experimental will be carried by those designated, and they will report directly to myself.

Your co-operation with these gentlemen during this interim period will be appreciated.

G.W. ROBERTS,
Chief Engineer.
