

## GMH CAR CLUB

**T**HE GMH Car Club, which now has 40 financial members, invites other Fishermen's Bend employees who are car owners to join up. The secretary is R. W. ARCHER, of Plant 3 (Engineering).

On April 12, when the 16th Annual Hill Climb is held at Mt. Tarrangower, Maldon, the Club will display the Holden with which one of its members, SYD McDONALD, has won three recent Concours d'Elegance—at Mt. Dandenong, at Healesville, and at the GMH picnic, Werribee. Syd's Holden will be displayed to raise funds for the Maldon and Castlemaine hospitals, and to foster interest in Concours d'Elegance contests among car owners generally.
