

# Fishermen's Bend Motoring Club Trial

The GMH Motoring Club, Fishermen's Bend, held its first trial for the year on Saturday, February 2.

After completing the event, which was ably directed by THEO TWYEROULD, of Master Mechanics, the contestants relaxed at a barbecue where the trial was discussed over juicy steaks.

Winners of the scratch section were STUART DOBBYN and J. BEY in car 3; second were D. FRAZER and R. FORSYTHE in car 9; and the AKERS brothers, in car 4, won third placing. The Akers brothers won the handicap section, followed by FRED CUMBERLAND second and C. ROGERS in third place.
