BULLETIN

DEPARTMENT ENGINEERING

SUBJECT Organization

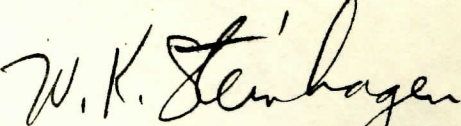

The following changes in organization are effective January 16, 1970 :

Mr. C. H. PHILLIPS, Assistant Chief Engineer - Vehicle Safety, is placed on Special Assignment pending his retirement March 31, 1970, after 46 years service with the Company.

Mr. C. A. PATERSON, who has been Experimental Engineer, is appointed Assistant Chief Engineer - Vehicle Safety and Proving Ground Operations, succeeding Mr. Phillips.

Mr. J. L. CAHOON, formerly General Supervisor, Proving Ground Operations for Oldsmobile Division, is assigned to Holdens as Experimental Engineer, succeeding Mr. Paterson.

Your continued co-operation with these men in their new positions will be appreciated,

W. K. STEINHAGEN
Chief Engineer
