BULLETIN

DEPARTMENT      ENGINEERING  
SUBJECT            ORGANIZATION

Further to Mr. G. W. Robert's bulletin of June 1, 1971, wherein the responsibility for the Proving Ground Durability and Vehicle Test Groups is assumed by the Experimental Section, the following Organization change is effective immediately :

MR. H. H. INGAMELLS is appointed Supervisor - Durability and Vehicle Tests - Proving Ground, with responsibility for the operation and supervision of all personnel in these groups. This includes Durability Driver operations, Durability Garage, Durability Stores, Vehicle Test and the Office Staffs related to these operations. He will report to Mr. R. A. Burton.

Your continued co-operation with Mr. Ingamells in his new assignment will be appreciated.
