BULLETIN

DEPARTMENT ENGINEERING

SUBJECT ORGANISATION

The following changes in organisation will become effective August 21, 1972:

MR. J. K. MARSHALL

is appointed Assistant Experimental Engineer - Tests, reporting to the Experimental Engineer, and will be responsible for all experimental test facilities at Lang Lang and Technical Centre. He replaces Mr. R. A. Burton, who is transferring to Manufacturing Department.

MR. H. H. VIDEION

is appointed Assistant Experimental Engineer - Projects, reporting to the Experimental Engineer. He replaces Mr. J. K. Marshall, and will be responsible for Experimental Project Engineers, experimental co-ordination and projects analysis and experimental data.

Your continued co-operation with these men in their new assignments will be appreciated.

G. W. ROBERTS,
Chief Engineer.
